

Authorization for Minor to Travel

This form is only for those traveling without a parent or traveling with a parent *who has sole custody*.

An authorized parent or guardian must complete and sign the appropriate portions in front of a Notary Public.

For a minor under the age of 18 to travel out of the United States without a parent or legal guardian, a notarized affidavit must be obtained. Immigration officials may request this documentation before departure and upon return to the United States. Failure to present this affidavit may result in officials refusing to allow the minor to leave the country.

The minor should carry this Notarized affidavit with him/her. It is recommended that he/she also carry copies of divorce, custody, death certificates or any other supporting documents.

Please submit a copy of this along with your team member application.

Keep the original to travel with, and send a copy to the office.
